O NAS

Firma Kandela powstała w 1990 roku i jest rodzinnym przedsiębiorstwem zajmującym się produkcją oświetlenia. Z czasem, rozwijając działalność, zaczęliśmy specjalizować się w projektowaniu i produkcji oświetlenia dla obiektów użyteczności publicznej takich jak hotele, pensjonaty, restauracje, sale konferencyjne. Staliśmy się rzetelnymi i sprawdzonymi partnerami dla projektantów i architektów.

W naszej ofercie znajdziecie Państwo szeroki wybór wysokiej jakości lamp, zaprojektowanych specjalnie dla tych specyficznych wymagających doskonałego oświetlenia wnętrz, wykonanych z najwyższą dbałością w każdym szczególe. Kinkiety, kinkiety z diodą LED, lampy wiszące, gabinetowe czy podłogowe; wszystkie lampy wykonane są z najwyższej jakości materiałów: stali szlachetnej, szkła, masywnego drewna w wielu wybarwieniach. Dzięki przeróżnym kolorom i strukturom materiałów używanych do produkcji abażurów, nasze lampy można idealnie dopasować do każdego wnętrza.

Jesteśmy dumni z tego, że produkcja wciąż odbywa się w Polsce, w siedzibie firmy, oraz we współpracy z naszymi zaufanymi, wieloletnimi partnerami.

Potrzebujecie Państwo lampy wyjątkowej i niepowtarzalnej, wykonanej według indywidualnego projektu? A może chcielibyście dokonać zmian w oświetleniu z naszej standardowej oferty? Nic prostszego: jesteśmy otwarci na Państwa propozycje. Wystarczy skontaktować się z nami, a my służąc radą i wieloletnim doświadczeniem wykonamy lampy, które spełnią Państwa oczekiwania. Serdecznie zapraszamy!

ABOUT US

Kandela was established in 1990 as a family business involved in the production of lighting. With time we began to specialise in the design and production of lighting for hotels, restaurants and other public interiors. We have turned into a trustworthy and reliable partner for architects and interior designers.

Our lamps are produced from top quality materials such as stainless steel, glass, or solid wood. They are handmade with attention paid to every single detail. With a wide selection of colours and textures of materials used for production of lampshades we can create a lamp for any kind of demanding interior. And we are proud we manufacture our products in Poland.

If you have a unique lamp project, if you like to surround yourself with products created by hand and with passion or you need an advice regarding choice of lighting for your interior you are welcome to contact us and we are happy to share our experience with you!
