FASHION

La casa è l' espressione del proprio gusto e del proprio stile,
rappresenta la capacità di sapersi circondare di cose belle e di creare
ambienti armoniosi ed esclusivi.
La casa fashion ci parla di interni sofisticati e raffinati, dove il design si realizza
in spazi accoglienti e lo charme è amplificato da atmosfere cromatiche che
sembrano uscite da quadri.

House is the expression of one's taste and style, it represents the capacity to surround oneself with beautiful things and to create pleasant, exclusive interiors. The fashion house speaks of sophisticated, elegant interiors, where design creates comfortable rooms and charme is amplified by chromatic atmospheres that seem to come from paintings.

LOFT

Un grande spazio dove vivere liberamente tra oggetti e cose cercate con cura o trovate per caso alle quali siamo affezionati e che ci fanno sentire a casa.

A large space where you can freely live among objects and things carefully searched or found by chance, things we love and which make us feel at home.

MEDITERRANEO

Sospeso tra cielo e terra l'azzurro del mediterraneo diventa ancora più intenso nel riverbero della luce abbagliante, dei colori intensi e dei contrasti forti e netti. Entra nelle case, nei preziosi tessuti colorati e variopinti o candidi e leggeri. Quasi un caleidoscopio di luce, colori, oggetti e cose che si fondono tra loro.

Suspended between sky and earth, the blue of the Mediterranean becomes more intense in the glare of dazzling light, deep colours and sharp contrasts. It penetrates houses and precious colourful or pure white, light fabrics. Almost a kaleidoscope of blending light, colours, objects and things.
